

MOTION BY MAYOR MICHAEL D. ANTONOVICH

MAY 31, 2011

Realignment: Executive Committee

Despite significant concerns and issues raised on the Governor's realignment plan, on April 5, 2011, the Governor signed into law AB 109 shifting major public safety programs from the state to the counties which will significantly impact our entire criminal justice system. While the law does not take effect until available funding, the state's earliest start date is July 1, 2011.

AB 109 establishes an executive committee of each County's *Community Corrections Partnership*, consisting of: 1) the chief probation officer; 2) the Sheriff; 3) Chief of Police; 4) a county supervisor or the chief administrative officer; and 5) the head of the county department of social services, should develop and recommend a local plan to the Board of Supervisors on how realignment should be implemented within the County. The *Community Corrections Partnership* is a multi-agency collaborative that was formed through the Countywide Criminal Justice Coordination Committee (CCJCC) earlier this year pursuant to SB 678.

I, THEREFORE, MOVE that the Board of Supervisors request *the Community Corrections Partnership* - Executive Committee, as established pursuant to AB 109 to begin the development of a local realignment implementation plan for recommendation to the Board of Supervisors, to work with the *Community Corrections Partnership* and provide the Board with monthly progress reports.

I, FURTHER, MOVE that the Board of Supervisors direct the Executive Office to add a recurring agenda item to the Board's weekly agenda to facilitate any discussion and action necessary by the Board.
